GOVERNANCE OF LICT CORPORATION

Board of Directors

Our Board of Directors has seven members, each of whom other than Mr. Gabelli and Mr. Hearity may currently be considered to be independent under stock exchange and Securities and Exchange Commission rules. During 2010, our Board of Directors held six meetings. All of our Directors attended at least 75% of the meetings of our Board of Directors, with the exception of Mr. Hearity, who was elected as a director on November 30, 2010. The Corporation does not have a policy regarding the attendance of Directors at the Annual Meeting. In September 2007, the Board appointed Alfred Fiore as Chairman of the Audit Committee, which is comprised of the Board of Directors as a whole, and in March 2008 the Board appointed Glenn Angiolillo, Alfred Fiore and Gary Sugarman to serve as the Compensation Committee. The entire Board will serve as Compensation Committee in 2011.

Compensation of Directors

In 2010, Directors other than the Chairman received a quarterly cash retainer of \$9,000; a fee of \$3,000 for each Board of Directors meeting attended in person, a fee of \$1,000 for attendance at each telephonic Board meeting; and a fee of \$3,000 per day for attendance at the Corporation’s annual profit plan meeting. In addition, Mr. Fiore receives a quarterly retainer of \$1,250 for his service as Chairman of the Audit Committee, and, Messrs. Fiore, Angiolillo and Sugarman have each received a quarterly retainer of \$750 for their service as members of the Compensation Committee up until March 2011, when such quarterly retainer payments were terminated. The Chairman receives no retainer or fees for his service on the Board.

The total compensation in quarterly cash retainers and fees for meeting attendance paid in 2010 is as follows:

| | |
|---------------------|-------------|
| Glenn J. Angiolillo | \$62,000 |
| Alfred W. Fiore | \$67,000 |
| Thomas J. Hearity | \$3,000 (a) |
| Daniel R. Lee | \$57,200 |
| Salvatore Muoio | \$50,000 |
| Gary L. Sugarman | \$62,000 |
| Total | \$301,200 |

(a) Appointed to the Board on December 1, 2010.

No form of compensation other than these cash payments (e.g., stock options, restricted stock, etc.) was provided to these Directors during 2010. The Corporation maintains a liability insurance policy that provides for indemnification of each Director (and officer) against certain liabilities that may be incurred through service in such capacities.

Risk Oversight

Our Board of Directors has responsibility for the oversight of risk management. The Board, either as a whole or through its committees, regularly discusses with management the Corporation's significant risk exposures, their potential impact on the Corporation, and the steps necessary to manage these risks. The Board's areas of focus prominently include the management of risks associated with governance issues such as corporate structure, supervision of field management and accountability requirements. While the Board as a whole is ultimately responsible for risk oversight at LICT, the Board committees assist the Board in fulfilling that responsibility in certain areas of risk. In particular, Chairman of the Audit Committee meets periodically with management in order to review the Corporation's financial reporting risk exposures and the measures management must take to identify, monitor and control such exposures.

Employee Code of Ethics and Conflicts of Interest Policy

Since our spin-off from Lynch Corporation in 1999, we have had a code of conduct and a policy governing conflicts of interest. In December 2003, we adopted a Code of Ethics that applies to all of the Corporation's employees, including our officers. We require all of our employees to adhere to our Code of Ethics and Conflicts of Interest Policy in addressing legal and ethical issues encountered in conducting their work. Our Code of Ethics and Conflicts of Interest Policy require that our employees comply with all laws and other legal requirements, avoid conflicts of interest, conduct business in an honest and ethical manner, and otherwise act with integrity and in our best interest. In addition, employees who, due to their responsibilities, may encounter conflicting interests are required to certify compliance with our Conflicts of Interest Policy. Our Code of Ethics and Conflicts of Interest Policy are posted on our website at www.lietcorp.com.

Policy Regarding Reports of Actions That May Be Violations of Law

In December 2003, our Board of Directors also adopted a Policy Regarding Reports of Actions That May Be Violations of Law, referred to as our "Violations" or "Whistleblower" Policy. This Policy reaffirms our commitment to comply with all applicable laws that protect employees from unlawful discrimination or retaliation as a result of their lawfully reporting information regarding, or participating in investigations involving, allegations of corporate fraud or other violations of federal or state law. The Policy further establishes a procedure by which employees may file anonymous complaints regarding the Corporation's actions or business practices including, but not limited to, fraudulent conduct, violations of internal accounting controls or other financial misconduct, and non-compliance with applicable laws or regulations. Our Whistleblower Policy also provides that we will offer a reward of up to \$10,000 (also made on an anonymous basis) to any employee who reports information regarding corporate fraud or other alleged violations by the Corporation or its agents of federal or state law, and such information leads to a finding of wrongdoing as determined either by our Board of Directors or by a government authority. A copy of this Policy is posted on our website at www.lietcorp.com.

Stockholder Communications

Our stockholders may send communications by letter addressed to our Board of Directors at LICT Corporation, 401 Theodore Fremd Avenue, Rye, New York 10580. All communications will be received and reviewed by a Corporate officer, and forwarded to our Directors if matters appropriate for their attention are raised. The receipt of such communications about our accounting, internal controls, auditing matters or business practices will be reported to the Audit Committee. The receipt of such communications concerning other matters will be reported to our Board of Directors or an appropriate committee of our Board of Directors.

Compensation Discussion and Analysis

Overview and Philosophy

The Board of Directors approves annual compensation to be paid to our Chairman and each of our executive officers, as well as to other key employees. In addition, acting through the Compensation Committee, the Board is responsible for developing and administering our executive compensation policies and plans. The Compensation Committee has approved the following discussion of the Corporation's executive compensation in this proxy statement.

The objectives of our executive compensation program are to:

- Promote and reward the achievement of the Corporation's desired performance;
- Provide compensation that will attract and retain superior talent;
- Ensure that there is appropriate linkage between executive compensation and the enhancement of stockholder value; and
- Evaluate the effectiveness of our incentives for key executives.

The executive compensation program is designed to provide an overall level of compensation opportunity that is competitive with companies of comparable size, scope, capitalization and complexity. Actual compensation levels, however, may be greater or less than average competitive levels based upon our annual and long-term performance, as well as individual performance. The Board of Directors uses its discretion to set executive compensation at levels warranted, in its judgment, by such performance and by our other compensation objectives, as set forth above.

Executive Officer Compensation Program

Our executive officer compensation program is comprised of base salary, cash bonus compensation, our 401(k) Savings Plan, and other benefits generally available to our employees.

Base Salary

Base salary levels for our executive officers are intended to be competitive with other companies in our industry which are comparable to LICT in size, complexity and financial characteristics. In determining salaries, the Board of Directors, working through the Compensation Committee (through March 2011), takes into account an individual's experience and performance, as well as specific issues relating to the Corporation and its desired performance. The adjustments made to salaries for 2010 were based upon a variety of judgmental factors, including the individual performances of the officers and their anticipated contributions to LICT, the prevailing industry conditions, and our general financial and strategic posture and performance.

Bonus Plan

We have in place a bonus plan that is based on objective measures of corporate performance and on subjective evaluation of individual performance for our executive officers and other key personnel. In general, this plan provides for the payment of a percentage of an officer's base salary for the attainment of Board-approved objectives, which are typically set in the first calendar quarter; and upon the favorable evaluation of the officer's overall performance by the Board and/or the officer's immediate superior. The Board, in its discretion, may take into consideration such other factors and circumstances involving the

officer's performance and the Corporation's results as it deems relevant in determining the amount of each bonus.

LICT Corporation 401(k) Savings Plan

LICT's employees are eligible to participate in our 401(k) Savings Plan, after having completed one year of service in their employment by the Corporation. Our 401(k) Savings Plan permits employees to make contributions by deferring a portion of their compensation. We may make discretionary contributions to the 401(k) Savings Plan accounts of participating employees, although we do not currently do so. A participant's interest in both employee and employer contributions and earnings thereupon are fully vested at all times. All 401(k) contributions are invested in certain mutual funds or our Common Stock, as determined by the participants. With respect to the individuals listed in the Summary Compensation Table, each of Messrs. Gabelli and Dolan deferred \$22,000, Mr. Goldstein deferred \$10,500 and Mr. Kiernan deferred \$16,500 under the 401(k) Savings Plan during 2010.

Benefits

We provide medical, life insurance and disability benefits to the executive officers that are generally available to all of our employees. The amount of perquisites did not exceed \$10,000 for any executive in 2010.

Chief Executive Officer Compensation

Effective December 1, 2010, Mario J. Gabelli was reappointed Chief Executive Officer of the Corporation replacing Robert E. Dolan who had been elected Interim Chief Executive Officer effective May 1, 2006. Mr. Gabelli had been Chief Executive Officer until November 15, 2005 and throughout this period remained Chairman of the Corporation's Board of Directors. Mr. Gabelli had remained actively involved in the development of the Corporation's acquisition, disposition, investment and financial strategies, and his salary had continued at \$150,000 per year since November 15, 2005. Consideration of additional compensation for Mr. Gabelli's as a result of his reappointment as Chief Executive Officer and increased responsibilities is being examined in light of the long-term strategic goals of the Corporation.

When Mr. Dolan was elected Interim Chief Executive Officer, in 2006, he continued his duties as the Corporation's Chief Financial Officer, and his salary was increased from \$320,000 to \$350,000 effective as of that date. On December 1, 2010, Mr. Dolan was elected Executive Vice President and continued in his Chief Financial Officer position. In recognition of many years of service to the Corporation and the increased complexity of his positions his salary, while unchanged at \$350,000 for 2010, was increased to \$365,000 per year, effective January 1, 2011. The Board of Directors considers a number of factors in determining Mr. Dolan's compensation, including the Corporation's size and scope; his development of existing and new businesses; our financial performance, our internally estimated private market value as well as our public market value; and return on stockholders' equity.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and based on such review and discussions, has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement. To reduce expenses, the entire board will serve as Compensation Committee in 2011.

The following table sets forth, as of the current date, certain information with respect to all persons known to us to each beneficially own more than 5% of our shares of Common Stock, which is our only class of voting stock outstanding. The table also sets forth information with respect to our Common Stock beneficially owned by the directors, by each nominee for director, by each of the executive officers named in the Summary Compensation Table, and by all Directors, nominees for Director and executive officers as a group. REPORT OF THE AUDIT COMMITTEE

As noted above, the Audit Committee is chaired by Alfred Fiore and is comprised of the Board as a whole. Management is responsible for the Corporation's internal accounting and financial controls, the financial reporting process, the internal audit function, and compliance with the Corporation's policies and legal requirements. The Corporation's current independent public accountant, KPMG, is responsible for performing an independent audit of the Corporation's consolidated financial statements and for issuance of a report thereon.

The Audit Committee engages the independent public accountant. Acting principally through its Chairman, the Audit Committee monitors and oversees the Corporation's accounting, financial and audit processes. It also investigates matters related to the Corporation's financial statements and controls as it deems appropriate. In the performance of these oversight functions, the Audit Committee relies upon the information, opinions, reports and statements presented to it by the Corporation's management and by the independent public accountant.

The Audit Committee reviews the audited consolidated financial statements of the Corporation with management, and management represents that the Corporation's consolidated financial statements are prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). In addition, the Audit Committee, acting principally through its Chairman, discusses with KPMG matters relating to the independent audit that are included within applicable Statements of Accounting Standards. The Audit Committee has confirmed the independence of KPMG through the Committee's examination of and discussions with that firm.

Based on the Audit Committee's review of the representations of management, and its discussions with management and with KPMG, the Committee has determined that the financial statements of the Corporation for the year ended December 31, 2010, as audited by KPMG, shall be included in the Corporation's Annual Report.
