PROXY STATEMENT

PROXIES AND VOTING PROCEDURES

Only stockholders of record of LICT Corporation (“LIC T” or the “Corporation”) at the close of business on April 20, 2009, the record date, are entitled to notice of, and to vote at, the Annual Meeting of our stockholders. This proxy statement and accompanying form of proxy are being sent to our stockholders on or about April 27, 2009. As of the close of business on April 20, 2009 there were 24,506.37 shares of our Common Stock outstanding. Each share of our Common Stock, or fraction thereof, is entitled to one vote, or fraction thereof, on each matter submitted to our stockholders. Where a specific instruction is given in the proxy, the proxy will be voted in accordance with such instruction. If no such instruction is given, the proxy will be voted FOR the nominees to the Board of Directors named below, and in the discretion of the proxies with respect to any other matter that is properly brought before the Annual Meeting. Any stockholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by delivering a written notice of revocation or a duly executed proxy bearing a later date to our Corporate Secretary, or by appearing at the Annual Meeting and revoking his or her proxy and voting in person.

The candidates for election to our Board of Directors who receive the highest number of affirmative votes will be elected. For purposes of the Annual Meeting, a majority of the issued and outstanding shares entitled to vote and represented in person or by proxy constitutes a quorum. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers, referred to as “broker non-votes,” are not counted or deemed to be present or represented for purposes of determining whether that matter has been approved by stockholders, but they are counted as present for purposes of determining the existence of a quorum at the Annual Meeting.

An automated system administered by our transfer agent tabulates the votes.

This solicitation of proxies is made on behalf of our Board of Directors, and the cost thereof will be borne by us. We have employed the firm of Morrow & Co., LLC, 445 Park Avenue, 5th Floor, New York, New York 10022, to assist in this solicitation at a cost of \$3,000, plus out-of-pocket expenses. We will also reimburse brokerage firms and nominees for their expenses in forwarding proxy material to beneficial owners of our Common Stock. In addition, our officers and employees, none of whom will receive any compensation in addition to their regular compensation, may solicit proxies. The solicitation will be made by mail and, in addition, may be made by facsimile, e-mail, personal interviews and by telephone.

GOVERNANCE OF LICT CORPORATION

Board of Directors

Our Board of Directors has five members, each of whom other than Mr. Gabelli may currently be considered to be independent. While our common shares are no longer traded on the American Stock Exchange, for purposes of evaluating our Directors' independence we have used the guidelines established by that exchange. During 2008, our Board of Directors held eight meetings. All of our Directors attended at least 75% of the meetings of our Board of Directors. The Corporation does not have a policy regarding the attendance of Directors at the Annual Meeting. In September 2007, the Board elected Alfred Fiore as Chairman of the Audit Committee, which is comprised of the Board of Directors as a whole, and in March 2008 the Board appointed Glenn Angiolillo, Alfred Fiore and Gary Sugarman to serve as the Compensation Committee.

Compensation of Directors

In 2008, directors other than the Chairman received a quarterly cash retainer of \$9,000; a fee of \$2,000 for each Board of Directors meeting attended in person; a fee of \$1,000 for attendance at each telephonic Board meeting requiring at least an hour's commitment; a fee of \$1,000 for attendance at the Annual Meeting; and a fee of \$2,000 per day for attendance at the Corporation's annual profit plan meeting. In addition, Mr. Fiore receives a quarterly retainer of \$1,250 for his service as Chairman of the Audit Committee, and Messrs. Fiore, Angiolillo and Sugarman each receive a quarterly retainer of \$750 for their service as members of the Compensation Committee. The Chairman receives no retainer or fees for his service on the Board.

The total compensation in quarterly cash retainers and fees for meeting attendance paid in 2008 is as follows:

Glenn J. Angiolillo	\$56,300
Alfred W. Fiore	\$62,000
Salvatore Muoio	\$48,000
Gary L. Sugarman	\$56,000

No form of compensation other than these cash payments (e.g., stock options, restricted stock, etc.) was provided to these Directors during 2008.

The Corporation maintains a liability insurance policy that provides for indemnification of each director (and officer) against certain liabilities that may be incurred through service in such capacities.

Employee Code of Ethics and Conflicts of Interest Policy

Since our spin-off from Lynch Corporation in 1999, we have had a code of conduct and a policy governing conflicts of interest. In December 2003, we adopted a Code of Ethics that applies to all of the Corporation's employees, including our officers. We require all of our employees to adhere to our Code of Ethics and Conflicts of Interest Policy in addressing legal and ethical issues encountered in conducting their work. Our Code of Ethics and Conflicts of Interest Policy require that our employees comply with all laws and other legal requirements, avoid conflicts of interest, conduct business in an honest and ethical manner, and otherwise act with integrity and in our best interest. In addition, all employees who due to their responsibilities may encounter conflicting interests are required to certify compliance with our Conflicts of Interest Policy. Our Code of Ethics and Conflicts of Interest Policy are posted on our website at www.lietcorp.com.

Policy Regarding Reports of Actions That May Be Violations of Law

In December 2003, our Board of Directors also adopted a Policy Regarding Reports of Actions That May Be Violations of Law, referred to as our "Violations" or "Whistleblower" Policy. This Policy reaffirms our commitment to comply with all applicable laws that protect employees from unlawful discrimination or retaliation as a result of their lawfully reporting information regarding, or participating in investigations involving, allegations of corporate fraud or other violations of federal or state law. The Policy further establishes a procedure by which employees may file anonymous complaints regarding the Corporation's actions or business practices including, but not limited to, fraudulent conduct, violations of internal accounting controls or other financial misconduct, and non-compliance with applicable laws or regulations. Our Whistleblower Policy also provides that we will offer a reward of up to \$10,000 (also made on an anonymous basis) to any employee who reports information regarding corporate fraud or other alleged violations by the Corporation or its agents of federal or state law, and such information leads to a finding of

wrongdoing by either our Board of Directors or a government authority. A copy of this Policy is posted on our website at www.lictcorp.com.

Stockholder Communications

Our stockholders may send communications by letter addressed to our Board of Directors at LICT Corporation, 401 Theodore Fremd Avenue, Rye, New York 10580. All communications will be received and reviewed by our Corporate Secretary, and forwarded to our Directors if matters appropriate for their attention are raised. The receipt of such communications about our accounting, internal controls, auditing matters or business practices will be reported to the Audit Committee. The receipt of such communications concerning other matters will be reported to our Board of Directors or an appropriate committee of our Board of Directors.

Compensation Discussion and Analysis

Overview and Philosophy

The Board of Directors approves annual compensation to be paid to our Chairman and each of our executive officers, as well as to other key employees. In addition, acting through the Compensation Committee, the Board is responsible for developing and administering our executive compensation policies and plans. The Compensation Committee has approved the following discussion of the Corporation's executive compensation in this proxy statement.

The objectives of our executive compensation program are to:

- Promote and reward the achievement of the Corporation's desired performance;
- Provide compensation that will attract and retain superior talent;
- Ensure that there is appropriate linkage between executive compensation and the enhancement of stockholder value; and
- Evaluate the effectiveness of our incentives for key executives.

The executive compensation program is designed to provide an overall level of compensation opportunity that is competitive with companies of comparable size, scope, capitalization and complexity. Actual compensation levels, however, may be greater or less than average competitive levels based upon our annual and long-term performance, as well as individual performance. The Board of Directors uses its discretion to set executive compensation at levels warranted, in its judgment, by such performance and by our other compensation objectives, as set forth above.

Executive Officer Compensation Program

Our executive officer compensation program is comprised of base salary, cash bonus compensation, our 401(k) Savings Plan, and other benefits generally available to our employees.

Base Salary

Base salary levels for our executive officers are intended to be competitive with other companies in our industry which are comparable to LICT in size, complexity and financial characteristics. In determining salaries, the Board of Directors, working through the Compensation Committee, takes into account an individual's experience and performance, as well as specific issues relating to the Corporation and its desired performance. The adjustments made to salaries for 2008 were based upon a variety of judgmental factors, including the individual performances of the officers and their anticipated contributions to LICT, the prevailing industry conditions, and our general financial and strategic posture and performance. For 2009, it was determined that there would be no salary increase for the Corporation's principal executive officers.

Bonus Plan

We have in place a bonus plan that is based on objective measures of corporate performance and on subjective evaluation of individual performance for our executive officers and other key personnel. In general, this plan provides for the payment of a percentage of an officer's base salary for the attainment of Board-approved objectives, and upon the favorable evaluation of the officer's overall performance by the Board and/or the officer's immediate superior. The Board, in its discretion, may take into consideration such other factors and circumstances involving the officer's performance and the Corporation's results as it

deems relevant in determining the amount of each bonus. Bonuses earned in any fiscal year are paid within 75 days of the end of that fiscal year.

LICT Corporation 401(k) Savings Plan

LICT's employees are eligible to participate in our 401(k) Savings Plan, after having completed one year of service in their employment by the Corporation (so long as they are at least 18 years of age).

Our 401(k) Savings Plan permits employees to make contributions by deferring a portion of their compensation. We may make discretionary contributions to the 401(k) Savings Plan accounts of participating employees. A participant's interest in both employee and employer contributions and earnings thereupon are fully vested at all times. Employee and employer contributions are invested in certain mutual funds or our Common Stock, as determined by the participants. With respect to the individuals listed in the Summary Compensation Table, each of Messrs. Gabelli and Dolan deferred \$20,500 and Mr. Goldstein deferred \$16,206.75 under the 401(k) Savings Plan during 2008. The Corporation made no contributions to the Plan.

Benefits

We provide medical, life insurance and disability benefits to the executive officers that are generally available to all of our employees. The amount of perquisites, as determined in accordance with the rules of the SEC relating to executive compensation, did not exceed \$10,000 for any executive in 2008.

Chief Executive Officer Compensation

Effective May 1, 2006, Robert E. Dolan was elected Interim Chief Executive Officer of the Corporation, in addition to his continuing duties as the Corporation's Chief Financial Officer. His salary was increased from \$320,000 to \$350,000 effective as of that date, and has been continued at \$350,000 since that time. The Board of Directors considers a number of factors in determining Mr. Dolan's compensation, including the Corporation's size and scope; his development of existing and new businesses; our financial performance as reflected by the increase in our internally estimated private market value as well as our public market value; and return on stockholders' equity.

Prior to November 15, 2005, when a Chief Executive Officer was elected, Mr. Gabelli performed the usual functions of that office. In 2005, Mr. Gabelli's annual salary was \$350,000 in recognition of his performance of the Chief Executive Officer function. As shown in the executive compensation chart above, Mr. Gabelli's salary was reduced in 2006 to \$150,000 annually due to the election of a Chief Executive Officer. Mr. Gabelli remains particularly involved in the development of the Corporation's acquisition, disposition, investment and financial strategies, and his salary has been continued at \$150,000 per year.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of the current date, certain information with respect to all persons known to us to each beneficially own more than 5% of our shares of Common Stock, which is our only class of voting stock outstanding. Consistent with prior years, the number of shares beneficially owned is determined under rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which a person has the sole or shared voting or

investment power or any shares that the person can acquire within 60 days, such as through exercise of stock options or conversions of securities. During 2008, the Corporation and its subsidiaries engaged in various transactions and arrangements with certain of these entities.

The estimated amount of reimbursements and other remuneration paid to such entities was approximately \$107,000. This amount was comprised of reimbursement in connection with a business aircraft owned in part by a subsidiary of GGCP, Inc. That loan was repaid in full by the Company during March 2008.

The Corporation also leases some 3,600 square feet in a building in Rye, New York, owned by an affiliate of Mr. Gabelli. The rent is approximately \$28 per square foot per year plus a minimum of \$3 per square foot per year for utilities, subject to adjustment for increases in taxes and operating expenses. The total amount paid for rent and utilities in 2008 under this lease was approximately \$117,000. An unaffiliated entity that also leased space in the building paid rent on substantially the same basis as did the Corporation.

INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has not yet appointed an independent auditor for the year ending December 31, 2009. Deloitte & Touche LLP ("Deloitte & Touche") audited our 2008 and 2007 consolidated financial statements. Representatives of Deloitte & Touche are expected to be available at the Annual Meeting and will have the opportunity to make a statement, if they so desire, and to answer appropriate questions.

Audit Fees

The aggregate fees billed by Deloitte & Touche for professional services rendered for the audits of our 2007 and 2008 consolidated financial statements were approximately \$1.8 million and \$1.9 million, respectively.

Audit-Related Fees

No fees were billed to the Corporation by Deloitte & Touche for assurance and related services for 2007 and 2008 that are reasonably related to the performance of the audit of our 2007 and 2008 financial statements and/or performance of a review of our financial statements during 2007 and 2008 that are not reported as audit fees above.

Tax Fees

Deloitte & Touche has billed the Corporation \$9,000 for professional services rendered to us for tax compliance, tax advice, and tax planning for 2008, and billed us no fees for such purposes for 2007.

No fees were billed to the Corporation by Deloitte & Touche in 2007 and 2008 for services other than as set forth above.

REPORT OF THE AUDIT COMMITTEE

As noted above, the Audit Committee is chaired by Alfred Fiore and is comprised of the Board as a whole. Management is responsible for the Corporation's internal accounting and financial controls, the financial reporting process, the internal audit function, and compliance with the Corporation's policies and legal requirements. The Corporation's current independent public accountant, Deloitte & Touche, is responsible for performing an independent audit of the Corporation's consolidated financial statements and for issuance of a report thereon.

The Audit Committee engages the independent public accountant. Acting principally through its Chairman, the Audit Committee monitors and oversees the Corporation's accounting, financial and audit processes. It also investigates matters related to the Corporation's financial statements and controls as it deems appropriate. In the performance of these oversight functions, the Audit Committee relies upon the information, opinions, reports and statements presented to it by the Corporation's management and by the independent public accountant.

The Audit Committee reviews the audited consolidated financial statements of the Corporation with management, and management represents that the Corporation's consolidated financial statements are prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). In addition, the Audit Committee, acting principally through its Chairman, discusses with Deloitte & Touche matters relating to the independent audit that are included within applicable Statements of Accounting Standards. The Audit Committee has confirmed the independence of Deloitte & Touche through the Committee's examination of and discussions with that firm.

Based on the Audit Committee's review of the representations of management, and its discussions with management and with Deloitte & Touche, the Committee has determined that the financial statements of the Corporation for the year ended December 31, 2008, as audited by Deloitte & Touche, shall be included in the Corporation's Annual Report.
